

Distribution of 2021 Formalized Investigations by Division.

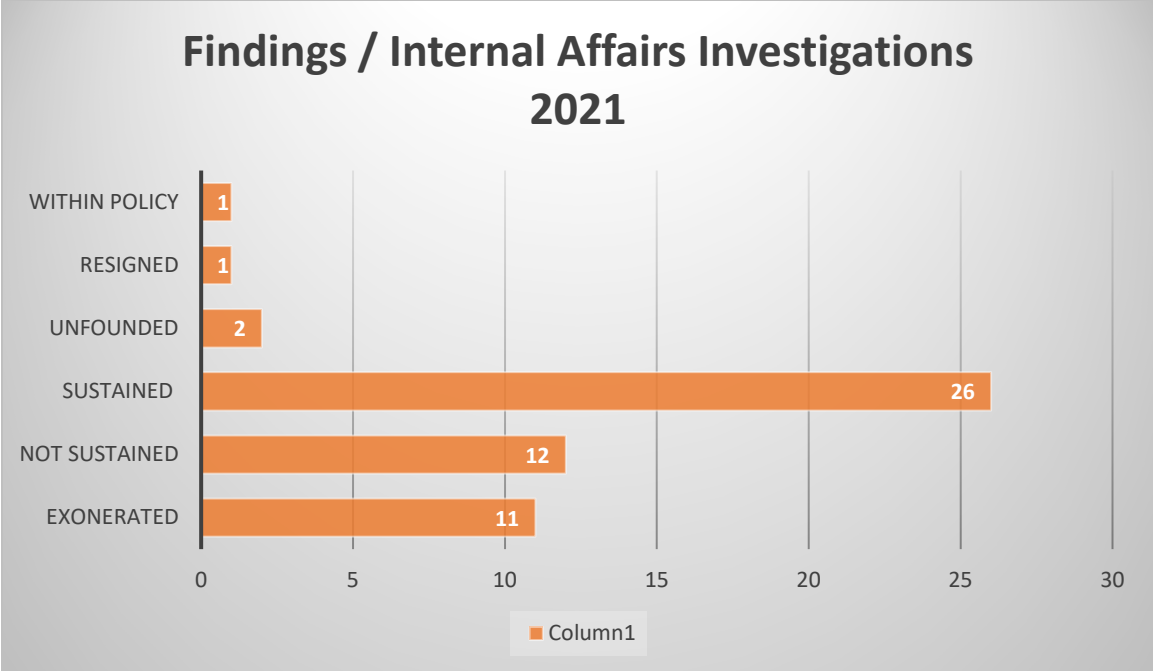

The above data includes:

- The number of formalized I/A investigations in 2021: 38 total

- Corresponding PCR investigations in 2021: 50 total

An Internal Affairs investigation (I/A) is done for major policy violations.

A Personnel Comment Report (PCR) investigation is done for minor policy violations.

This Chart encompasses 38 separate Internal Affairs investigations. However, there are **53** findings represented in the chart. This is because a single Internal Affairs investigation may have more than one policy violation for which a finding was determined and / or more than one deputy involved in the investigation.
